

# POLYETHYLENE FOAM ROLLS

*New*

## THIN FOAM

REX PERFORMANCE PRODUCTS CONTINUES  
INVESTING IN EXPANSION OF FACILITIES, EQUIPMENT,  
AND PRODUCTS.

LIGHT DENSITY  
**THIN FOAM**

3/32", 1/8", 3/16", AND 1/4"

Nominal 1.2LB, light density polyethylene thin foam. Non abrasive, tear resistant material suitable for multiple surface protection and cushioning applications.

**48" WIDE  
NATURAL**

MEDIUM/HEAVY DENSITY  
**SPECIAL DENSITY**

1/8", 1/4", AND 1/2"

Special Density roll stock available in nominal 1.7LB and 2.2LB densities. Additional colors available.

**48" WIDE  
NATURAL**

MEDIUM DENSITY  
**ECO BLACK**

1/2"

Nominal 1.7 LB, medium density PE with high recycled resin content. A cost effective alternative to traditional roll stock utilizing a minimum of 60% recycled resin.

**48" WIDE  
ECO BLACK**

3.0 - 9.0 LB DENSITY  
**HIGH DENSITY**

1/8" AND 1/4"

High density polyethylene. A popular choice for multi density plank applications and projects requiring added packaging protection.

**48" WIDE  
NATURAL, BLACK, ROYAL BLUE**

SAMPLES AVAILABLE UPON REQUEST.
